

Act 1

Chapter 1: The Black PC

After hearing information about a secret event, you headed to the Scales Temple with partner Cocole.
Just what the heck did the two of you find there?!

Area 1: North Challusk Highway

Cocole By the way, did you hear?
 Recently there have been rumors that a black player-character has emerged
 and is hunting players.

Player • • •?

NAVICO I don't think I heard about that.
 My master is out of touch with current events around here.

Area 2: Scales Forest

Cocole The character information of an attacked PC gets deleted!
 How scary!

NAVICO It's such a dangerous world, isn't it?

Area 3

Cocole I wonder if the next character to be deleted by the Black PC will be a
 rabbit-eared girl.
 Oh dear, I'm getting stressed out!

NAVICO “Oh dear...”? Granny...

Cocole Pardon, NAVICO?

NAVICO Nothing.

Area 4

NAVICO When you align all the fragments of a book of secrets, it seems you obtain
 some new piece of equipment.

Area 5

NAVICO The way to get a fragment of the book of secrets...
 ...is to find one on a quest.
 Or take one in a duel with another player.

And there are more than just these two ways.

Area 6

Cocole What could this legendary book of secrets be?
 This walking stick is good.

NAVICO It's good that my master doesn't have to take your hand!

Player ?!

Cocole You're surprisingly mean...

Area 7

Cocole Are your WP okay?
 We can't proceed if your WP run out.

NAVICO You recover 1 WP (Walking Points) every 3 minutes! Your WP and DP
(Duel Points) meters will refill when you level up! Level up as you
adventure! When you level up, your WP, DP and HP (Hit Points) also go up!
That's always a good thing!

Area 8

NAVICO If you want to immediately restore your WP, you can use a WP pot! You can
get WP Pots when you clear an area, or you can buy them at the shop! You
collect your rewards from the Home screen and use them as much as you
like! Please try going to the shop to check it out!

Area 9

Cocole Huh? Someone's coming.

Mysterious
Female PC Oh, hello.

Cocole Hello.

Mysterious
Female PC From the looks of you...
 Might you be beginners in The World?

Cocole Well, you could say we are and we aren't.

Mysterious
Female PC I see.
 There are many things to see and do while adventuring, so please keep
playing and enjoy yourselves!

Area 10: In Front of the Scales Temple

Cocole The Scales Temple... is in ruins...
Player ?!
This looks strange somehow...
Cocole The Black PC?!
I'm being attacked!
Black PC Grrrr... arrrrgh!
Elemia What is this guy?! An event character?!
He's not listening to us!
Cocole I'll go get help!

You battle the Black PC

Area 11

Elemia I appreciate your help. Thank you very much.
Elemia Huh? My right hand doesn't work?!
There was a rumor that character data that was attacked by the Black PC
Cocole would go funny...
I wonder if the rumors were true.
NAVICO There's a healing lake north of here called Rill Lake.
How about trying to recover there?
Cocole I've come this far, so I'll keep going with you.
Sound good?

You nod in agreement.

Elemia You have my gratitude.

Chapter 2: Water! Water! Water!

Area 1: Scales Forest

Elemia We're cutting through the woods?!
Cocole It's a shortcut, a shortcut!

Area 2

Cocole Your hand... isn't working at all?

Elemia Oh, it's only where I was attacked by the Black Name.

Cocole Black Name?

Elemia Oh, that guy's character name was displayed in a black box but the name itself was not displayed.

Cocole That's scary! The Black PC's name was also black...

Cocole It'll be hard to know what the Black PC's name is.
We should call this PC "Black Name" from now on.

Area 3

Cocole I wonder if Black Name is an event NPC.

Elemia No, that's a bad specification for an event, isn't it?
Was he a deleted character?

Cocole It's just a rumor.
But, I just looked at my hand and it still can't move...

Elemia The rumor's credibility went up.

Area 4

NAVICO Try strengthening units by combining them!

Area 5

NAVICO There are two types of synthesis!

NAVICO They are Level-Up Synthesis and Skill-Up Synthesis!

Area 6

NAVICO In Level-Up Synthesis you dispose of an extra unit to strengthen a chosen unit!

NAVICO Since it's easy to get to level 20, it's good to evenly level-up those units of high rarity first!

Area 7

NAVICO Use the same units in Skill-up Synthesis and the skill's level will increase!

NAVICO Be careful though. Skill-up Synthesis may not always succeed!

NAVICO There's a higher success rate when the level is lower!

Area 8: Damp Forest

NAVICO When you level up, your WP and DP are restored together!

Elemia ...Whose Navi-character is this?

Cocole That one there. That. One. There.

Player ?!

Area 9

Elemia Usually Navi characters are unnecessary after a week of playing.

Cocole I'm going to have to ask you to leave.
Though this NAVICO is a little different, so she's more interesting.

Cocole You talk funny and you're pretty rude.

NAVICO So I've heard, Cocole.

Area 10

Cocole It's in view. Not much farther now.

Area 11: Rill Lake

Cocole Rill Lake! We made it!
Ohh, what a beautiful spring! I've been healed immediately!

Kouichi Is that so? Really?
I am the most beautiful in this world!

Cocole Come on, Elemia, come recover.

Kouichi Hey, listen.

Elemia It's so nice to heal up...

Kouichi I said listen!

NAVICO Please hurry and get in here, Master!

Kouichi You're not allowed to ignore me!
You fools think you're more beautiful than me?!

You battle Kouichi

Area 12

Kouichi Hmph!

Cocole Now, to continue our treatments...

Elemia ...

Elemia It seems we can't...

NAVICO There's some pest.

Kouichi You, was that wound caused by the Black PC?

Elemia How do you know that?!

Kouichi My beautiful face had been attacked by the Black PC.
I received a scar just like yours.

Cocole There's no scar on your face, is there?
How did you heal it?

Kouichi There's an NPC doctor in a forgotten field in the wilderness south of here.

Kouichi It seems this NPC can also treat wounds received from the Black PC.
So, you can just thank me now by acknowledging my beauty.

Cocole Let's go... south!

Kouichi Hey, listen to me!

Chapter 3: Wolf of the Wilderness

Area 1: Damp Forest

NAVICO But, “acknowledge my beauty” is a new expression.

Cocole I wonder if it's a version of “love me.”
But I wonder if we should actually “acknowledge his beauty.”

NAVICO He's an enigma.

Area 2

Cocole That narcissist from the other day said he had been attacked by Black Name,
but just what was that a moment ago?

Elemia Is there not a good amount because it's a rumor?

Area 3

Cocole Brrrrrrr...

NAVICO What's wrong, Cocole?

Cocole Nothing, I just got a chill from imagining the narcissist getting scratched on his face...

NAVICO ...I wonder if he kept his sanity...

Area 4

NAVICO You recover one DP each minute!

Elemia I'm scared because the Navi-character suddenly started talking about game information...

Cocole I know, I know.

Area 5: North Challusk Road

NAVICO This quest's average WP consumption is higher in the mountains and wilderness!

Cocole I can do it!

Elemia Cocole...
You look tired...

Area 6:

Elemia We're finally in the wilderness. Are you ready?
I'm ready.

Cocole So, I heard you like manga...

Area 7: Forgotten Field

Cocole NAVICO floats so easily in the air.

NAVICO Floating in the air consumes 64 times the energy of walking.

Elemia What?! Is that true?!

NAVICO Now now, it doesn't have to make sense, does it?
Remember, it's a game.

Elemia Hey, can I kill this guy?

Player !!!

Area 8

Cocole Once Elemia's hand is healed, I can get married...
Elemia I wonder if Black Name can stop saying that line...

Area 9

Wolf of the Wait!
Wilderness If you want to pass through this place, you'll have to duel with me first!
Elemia Oh, that's...
Wolf of the Wilderness?!
Cocole Wolf of the Wilderness?
Elemia She's a genuine duelist with 3000 victories.
Cocole 3000?!
We can't beat such a player!
NAVICO We're in a pinch here!

Area 10

Wolf of the Wilderness Huff puff... haha...
I'll definitely win next time we meet!
Remember that!
Cocole Wolf of the Wilderness; isn't she a little weak?
Did she really win 3000 duels?
3000 wins... 8000 losses.
Elemia She snarls at people and challenges them without fear, so her nickname is
Wolf of the Wilderness.
3000 wins, 8000 losses...
Cocole Well, it's still true whether you fight against a strong player or a weak
player...
NAVICO Ms. Wolf...
is kind of pathetic, huh?

~Clinic~

Elemia Did you know that you can heal wounds received from Black Name here?
Medical To cure this wound...

NPC we need Healing Grass.
Cocole Oh!
 Where is this Healing Grass?!

NAVICO Healing Grass is found in the Doctor's Cave east of here.
Cocole Well, c'est la vie. Shall we go get it?
 Elemia will slow us down, so she can stay here.

Elemia Hmph...

Chapter 4: Red Shadow

Area 1: Forgotten Field

NAVICO Was it a good idea to leave Elemia behind?
Cocole It was for the best. For. The. Best.
NAVICO Oh, okay.
Cocole She got carried away...

Area 2

Cocole This wilderness is so intense all the time.
NAVICO It is within specifications.

Area 3

Cocole ...
NAVICO ...
Player ...
Cocole As long as we don't talk, nothing will happen...

Area 4

Cocole We finally got out of there! Level ground is the best!
NAVICO Your legs are stiff as rods.
Cocole You were flying!

Area 5: North Challusk Road

Cocole What do you think Black Name is?
Is it an event? A bug?
What do you think?

NAVICO CC Corp does not understand it.
They think it's an irregular bug...

Cocole You can say that as something made by CC Corp?

Area 6

NAVICO I'm tired. Why don't we take a break soon?
Play for an hour at a time!

Cocole You're also very irregular...

Area 7

NAVICO Go east from here and you'll find the Tower of Mac Lir.

Cocole We go south of here...

Area 8

NAVICO Without proper weapons and gear, you're useless.

Area 9

NAVICO I have a feeling like a black figure was watching us not too long ago.

Cocole Please don't say scary things, NAVICO...

Area 10

Cocole It's like a black figure was watching us not long ago...

NAVICO Please don't say scary things, Cocole...

Area 11: Doctor's Forest

Black Name Arrrrgggh...

Cocole We managed to defeat it.
If we kill it here, the hunter becomes the hunted.

??? Woah!

Player ?!
Red
Shadow ...
Cocole Woah! Is someone hunting us?!
NAVICO They're coming over here.
Cocole Do you want to join us?!
 I'll be your partner!
Cocole ...
Red
Shadow ...
Cocole ...
 Umm, do you understand me?
Red
Shadow ... *Rustle rustle*
Cocole He left...
 What was that just now?

Area 12

Cocole Well, not much we can do. Let's hurry on ahead.

Chapter 5: If We Don't Enter the Tiger's Den...

Area 1: Doctor's Cave

Cocole If you thought it would be humid, this place is actually quite arid.

Area 2

NAVICO The Healing Grass is found around this general area, around nine levels underground.

Area 3

Cocole Since this is my first dungeon, the anticipation is overwhelming.

Area 4

NAVICO I suggest raising your level!

Area 5

NAVICO If there's anything you don't understand in the game, check the FAQ and Help documents!

Area 6

Cocole This dungeon feels like an adventure in itself.

Area 7

Cocole 8 more levels. Will it take long? What does Healing Grass look like?

NAVICO It's a high-quality grass comprised of 100,000 polygons with a 2048x2048 pixel texture.

Cocole That's not what I meant...

NAVICO Cocole, my speech and behavior are programmed to be very cheeky.

Area 8

Mysterious
Female PC Oh, we meet again.

Cocole Oh, hello... what are you doing?

Mysterious
Female PC It's a water quality survey.

Cocole Ohhh. By the way, we didn't catch your name.

Flatley My name is Flatley. It's a pleasure to meet you.

Cocole I'm Cocole. I'm traveling with these two unfriendly ones here.

NAVICO Cocole... introduce me too...

Cocole Everyone knows who you are. You don't need an introduction...

Area 9

Cocole Found it! Healing Grass... is this it?

NAVICO We got Healing Grass! Now, let's return to the Medical NPC in the wilderness!

Cocole What a systematic way to talk...

Lilika Oh! Have you also come to get the magic stone?!
Cocole Hey! Keep silent like that and you'll startle someone!
Lilika I'm Lilika, the Multi Hunter who hunts for magic stones!
Player ...

~After the Boss Battle~

Lilika I lost... My dream is over!
Cocole Now, now. Don't give up on your dreams. We came to get some Healing Grass, not a magic stone.
Lilika ?! I thought I heard that there was a magic stone here, so I came to get it and I was saved.
Cocole Because you kept profoundly silent...
Player ...
Cocole Haa... Well, we have to get going on some unrelated business.
Lilika Thank you for your help! Ah, I want you to tell me if you find a magic stone!

Chapter 6: The Eight Fragments

Area 1: Scales Forest

Cocole The dungeon was nice, but being out in the sun is the best!
NAVICO It's virtual though, you know.
Cocole Oh, you didn't know? The virtual is also part of reality, right?

Area 2

Cocole Black Name isn't around anymore...
NAVICO Oh, there, in the shade of that tree!
Player ?!
NAVICO A beautiful flower!
Cocole ...
Cocole It may be a good idea to turn her off now.

Area 3

NAVICO ...

Cocole What's wrong? You suddenly stopped and went silent.
NAVICO Keep restraining my childish behavior and I'll eventually become a child who says nothing.

Area 4: North Challusk Road

Cocole We're gradually getting farther away from where Black Name was.
We can finally breath easily.
NAVICO It's common to get attacked near the exit...
Cocole Please stop saying things like that or I'll turn you off.

Area 5

Cocole I don't see many NAVICOs around. Just how many players have them turned on?
NAVICO As of right now, 3217 users have navigation turned on.
Cocole That's less than 0.02% of all players...
That's why I rarely see NAVICOs.

Area 6

NAVICO By the way...
Cocole ?
NAVICO My mental calculations are surprisingly fast.
Cocole I think they are unnecessarily fast, but what do you think, NAVICO?

Area 7

Cocole Is Healing Grass a rare item?
NAVICO Not at all.
It is ordinarily sold in big towns.
NAVICO It was only simple to take it from the cave if it was there.
Cocole Hmph...

Area 8

Cocole The wilderness again...

Give me a break...

NAVICO I will become strong again!

Area 9: Forgotten Field

NAVICO In the wilderness WP consumption increases, but gold and experience increase too!

Area 10

Cocole The designer is definitely a sadist to have placed a Medical NPC so deep in such a wilderness!

Cocole A wounded person is walking in this wilderness?!

NAVICO Cocole is so considerate.

Area 11

Cocole Come on, just a little more. You can do it, Cocole!

NAVICO She's finally started talking to herself.

Area 12

Wolf of the
Wilderness Wait!

Cocole You made it...

NAVICO You caught up, Wolfie.

Wolf of the
Wilderness Don't call me "Wolfie!"
This time I'll have the last word!

NAVICO It's... time to go hunting...

Cocole NAVICO?!

Area 13

Wolf of
the
Wilderness
ss Damn it!
I'll win tomorrow for sure!

Cocole Well I'll definitely be here again tomorrow!

Cocole Here, the Healing Grass.
Medical Thanks, we received it.
NPC Please wait a moment.
NAVICO Pyrroline!
Elemia's hand has completely recovered!
Cocole That was a very sudden systematic remark...
Elemia Alright, I can move it...
Cocole Now I can fight when Black Name comes.
Cocole By the way, why was Elemia in the Scales Temple?
Gathering a legendary book of secrets?
Elemia The legend is the same, but it's not a book. It's a relief.
Cocole A relief?
Elemia That right, a legendary relief.
Few know of it and none have seen it.
Elemia However, the relief is said to have broken into eight pieces and they are said
to really exist somewhere out there.
Elemia I am looking for them.
Cocole Sounds interesting!
Can we join you in your search?!
Elemia Huh?

Chapter 7: Searching for the Relief

Area 1: Forgotten Field

Cocole By the way, is there something we use to gather the legendary relief?
Elemia You guys were going to try to collect them without knowing this?

Area 2

Elemia As it's said to be a legend, there are a lot of rumors about it.
Elemia There's a rumor that The World will end when all eight pieces are collected.

Area 3

Elemia Another rumor is that all your wishes will come true.

Cocole It seems there were also ancient drawings of it...
That one showed seven though...

Elemia Cocole likes old drawings!
I love them!

NAVICO Things have gotten intense all of a sudden.

Cocole Don't say that...

Area 4

Elemia One rumor says that receive the ultimate weapon.

Elemia In my opinion, these rumors are not very credible.

Cocole Why?

Elemia Because the contents of the legendary secret texts are faded.
I bet the stories got mixed up over time.

Cocole Indeed.

Area 5: North Challusk Road

Cocole Where are we heading now?

The information on Scales Temple was false.

Elemia I'm heading south to the Pilgrimage Capital Charlton to gather more information.

Area 6

Cocole Do you have the relief, Elemia?

Elemia Unfortunately I don't have it, so we have a long way to go.
But this is fun, isn't it?

Area 7

Cocole ...

NAVICO ...

Player ...

Elemia ...What's going on?

Cocole It's nice someone here is talking!

Area 8

I hope Black Name doesn't come out!

Cocole I hope Black Name doesn't come out!

I hope Black Name doesn't come out!

Elemia ?

NAVI
CO When we came to get the Healing Grass, Black Name appeared around here.

Area 9

Elemia By the way, do you know Black Name's identity? Is it an event?

Cocole No idea.

Area 10: Doctor's Forest

Cocole By the way, there was a strange PC around here.

Elemia A strange PC?

Cocole I was hunting another PC with a red body.
The mood differed somewhat from a duel.

Elemia A red PC following a Black PC?

Area 11

Cocole We passed safely through the forest!

NAVICO Congratulations!

Cocole Thank you!

Elemia ...

Player ...

Cocole ...What?

Area 12: North Challusk Road

Cocole It would be good if we could move around quickly with vehicles or warp-points.

Elemia The current world is chaotic.
It seems that there were airships and motorbikes in the past.

Elemia It's a characteristic of online games that long-time players gather together and

enthusiastically chat about the old days.

Cocole So true.

Area 13

Elemia Cocole, have you ever played online games other than The World?

Cocole I have.
Habanero Online!

Elemia Pardon?

It's a game where you compete to develop the spiciest habanero chili pepper,
Cocole but I don't like it when ultra-spicy ones come out of the Gasha (vending
machine)!

Elemia What a unique game...

Area 14

Cocole Which games do you play, Elemia?

Elemia Almost all of them.

Cocole Huh?

Elemia All of them.

Area 15

NAVICO You can see it in the east from here...

Cocole Let's get going or I'll leave you behind, NAVICO.

NAVICO Tsk...

Area 16: West Swill Road

Cocole There were many passers-by earlier.

Elemia Pilgrims who take the north-south road and merchants who take the east-west
road come together in this area.

NAVICO You know a lot!

Elemia I don't have to rely on Navi-characters.

NAVICO That's a shame...

Area 17

Elemia I'll need two breathers since we came this far.
Cocole Two breathers... isn't it just "a breather?"

Area 18

Black
Name Roarrrrrr...

Cocole He suddenly appeared!
He surprised us!

Cocole Ahhh!

NAVICO It's a moving cadaver?
It's some sort of demon, right, Cocole?

Elemia (I don't want to play a beat-'em-up game with Cocole...)

Area 19: Pilgrimage Capital Charlton

Cocole I saw it! Pilgrimage Capital Charlton!

Elemia It's amazing no matter how many times I look at it.

Area 20

~Central Market~

Elemia I like to explore a bit...
You!

Kouichi You!

Kouichi ...

Kouichi It can't be...
Did you come all this way to gaze upon me?

No, not at all.

Cocole You're mistaken.
Hey, let's go on ahead.

Elemia We came to gather information on the relief.
Please excuse us.

Kouichi Reliefs as in the Eight Reliefs?

Elemia Do you know about them, Kouichi?!

Cocole ...

Kouichi I only know the rumors...

If that's what you're looking for, why don't you go to the Ethe's Temple at the

Kouichi end of the southern route?

There seems to be an amazingly talented fortune-teller there.

Elemia A fortune-teller, eh?

It's better than no information at all.

Kouichi My fee for giving you that information is simply your praise and admiration!

Elemia Alright then, let's head for the Ethe's Temple!

Kouichi Listen to meeee!

Chapter 8: The Unperplexing Forest

Area 1: Pilgrimage Capital Charlton

Cocole A fortune-teller...

Elemia Indeed!

Can we win a battle with the conditions she forecasts?!

Cocole Elemia, you suddenly become so intense with just one story clue...

Elemia ?!

Area 2: South Chalves Road

Cocole By the way, I've never been south of Charlton before.

NAVICO South of here is the Unperplexing Forest.

Cocole Will we wander forever?

NAVICO We won't stray from the path.

Area 3: Unperplexing Forest

Cocole I wonder, were there many who got lost, fell asleep, and never returned from the forest?

Elemia There were a lot, now that you mention it...

NAVICO It seems that the Unperplexing Forest was named by a nature-loving game

designer.

NAVICO It was named like that to dispel the negative image of the forest in the game.

Cocole What an abuse of authority...

Area 4

Black
Name Roarrrr...

Cocole There's no way a Black Name could be in a place like this.

Cocole Huh? NAVICO?

Elemia Did NAVICO go astray in the previous battle?

Cocole We've lost NAVICO it seems.
Now, let's move onward so NAVICO's sacrifice is not in vain.

Elemia You don't have to say it with such a big bright smile...

Area 5

NAVICO Being left behind was terrible, Master!

Player ?!

Cocole Tsk!

NAVICO You're clicking your tongue at me?!

Area 6

Cocole It was truly an unperplexing forest...

NAVICO I got stranded alone...

Cocole ...
Are you the type to hold a grudge?

Area 7: South Chalves Road

NAVICO By the way...

Cocole What is it?

NAVICO Nevermind...

Area 8

NAVICO From here on, you can see Cocole's favorite wilderness expand before you.

Cocole You just tried to say this a little while ago, didn't you?

NAVICO What are you talking about?

Cocole Typical NAVICO...

Area 9: Stormy Field

Cocole Remember that you are in the wilderness...

NAVICO Yes.

Cocole Wolfie...

NAVICO Are you well?

Area 10

Cocole Do you mind the wilderness, Elemia?

Elemia It's easier than the mountains.

Cocole You mean there are areas more difficult than the wilderness?!!

Chapter 9: The Water of Guidance

Area 1: Stormy Field

Cocole I tried my best! I worked hard!

Flatley Congratulations!

Cocole Flatley?!

Flatley From now on we'll do research on the wind strength in the wilderness.

Cocole Find what's causing the strong winds and shut it down with all your might.

Flatley Please don't say such dangerous things... ^_^;

Area 2: South Chalves Road

NAVICO I wonder whether to prioritize skills or draws in a duel.

NAVICO It is more powerful if the draws and number of charges are increased rather than the half attack skill.

Area 3

NAVICO Power bonuses are added based on the number of successful power charges.

NAVICO Your power is increased by the charges and you get bonus charges! That's amazing!

Area 4

Cocole This fortune-teller... is she fascinating?

Elemia We decided she's an old hag with a martial artist for a brother!

Cocole That's oddly specific...

Elemia An old hag!

Cocole ...

Area 5

Black
Name Roarrrr!

Elemia The encounter rate is kind of random compared to before.

NAVICO Elemia's battle continues on into the future...
That's right! For eternity!

Cocole Cut it out...

Area 6: Ethe's Temple

Wow!

Cocole That's a dazzling temple.
I smell money!

NAVICO You're looking to make money?

Cocole Who are you?

~Main Hall: In Front of Fortune Teller's~

Fortune-
telling
NPC Welcome to Ethe's Temple.

Elemia I would like information on the legendary reliefs that are rumored to exist by numerous players.

Fortune-
telling
NPC Certainly. However... there are conditions for my fortune-telling.

Elemia Is it a battle?!
It's a battle, isn't it?!

Cocole Please be quiet, Cocole.

Fortune-
telling
NPC I have used up the Water of Guidance needed for fortune-telling and I'd like you to procure some for me.

NAVICO The Water of Guidance?

Elemia Do you know of it, NAVICO?!

NAVICO I think I forgot, since I've only just started my job...

NAVICO From here we cross the seashore of the valley forest in the northwest...

NAVICO It's in to the Naraka Cave beyond the forest.

Cocole Well then, let's go get the Water of Guidance!

Elemia Battle...

Chapter 10: Passing Through The Dark Green

Area 1: Ethe's Temple

Elemia If you know the location an the item, NAVICO, does that mean you also know the location of the reliefs?

NAVICO Not at all. I only have knowledge of items up to ★★★rarity.

Elemia I see. That doesn't help a whole lot here.

Area 2: South Chalves Road

Cocole What do you think is causing the Black Names to appear?

Elemia Why do you ask all of a sudden?

Cocole Even though they all look the same, each appearance is disconnected from the others.
Well, even though it's similar to one, I don't think it's an event character.

Cocole There are rumors that it deletes characters too.

Elemia ...

Area 3

Cocole Maybe the Black Name attacks people like in zombie movies and turn those

people into zombies too.

Elemia Eeeeeek!

Area 4

Cocole Why don't we try an experiment?

Elemia An experiment?

Cocole How about we attack him and really have our characters deleted?

Player ?!

NAVICO That's a good idea, Cocole.

Player ?!!

Area 5

NAVICO It hurts, Master.

Player ...

Cocole Navi-characters can feel pain...

NAVICO That's how we're configured.

Cocole Let's not talk about your settings...

Area 6: Valley Forest Beach

NAVICO When all deck units are gone, it's the final secret! Activate the final blow!

Area 7

NAVICO It's best if the first unit's level increases on average.

Cocole Raise it to it's limit and it'll be strong, but it'll require a lot of experience points.

Area 8

Elemia I increased a unit's level!

Cocole It's such a refreshing feeling...

Elemia When the unit appeared it was strong, but when the unit disappeared, it was a terrible drawback!

Cocole You're making my heart race...

Area 9

Elemia How did you raise your strength, Cocole?
Cocole It's a secret!
NAVICO I erupted into a murderous rage long ago, Elemia.
Elemia What a coincidence, so did I.
Player Yup, yup.
Cocole All of you?!

Area 10

NAVICO From here on, the forest between the mountains will become a valley.
Cocole Hmm... it's mostly a clear path.

Area 11: Valley Forest

NAVICO This is the halfway point of the forest.
Cocole The branches are entwined and my beautiful skin is getting scratched.
