Congratulations! Area Cleared!
Let's keep the pace going!

You fight with Cocole

Cocole: Arrggh... You're stronger than me and you're a beginner! Are you cheating? Huh? Huh?

Navico: Amazing! This is my first time seeing strength like this! I feel an aura emanating from my master!

Cocole: Okay, I've decided! You'll be my partner! Nice to meet you!

Cocole became your friend!

Navico: I have a strange feeling about this troublesome person... but she doesn't seem bad... probably... definitely. Come on! Collect your thoughts and draw a gasha with the ticket you got from beating Cocole before!
