

Chapter 21: A New Path

Subordinating to each person's goals, the party disbanded.
You look for a new way to the Ezus Shrine with Cocole.
Along the way you find something waiting for you...

Area 1

Cocole Our group is back down to the first two people.
Player ...
NAVICO You forgot me, Cocole.
Cocole You're not included in that number!

Area 2

Cocole Ezus... What a distant place...
NAVICO There is some wilderness along the way.
Cocole I'm ready...

Area 3

Cocole Anyway...
Why did the red guy attack Sil?
NAVICO It's a mystery...

Area 4

NAVICO Is he stalking Cocole because he fell in love with her at first sight?
Cocole is beautiful after all.
Cocole Give me a break... This kid...
You're quite honest, aren't you?
NAVICO Auntie Cocole stinks...
Cocole Ah?

Area 5

Cocole But why don't the admins implement transportation?
NAVICO Adults have adult circumstances, absolutely, likely, probably, definitely.

Area 6

Cocole It's about time for my part-time job...
NAVICO Hey, are you telling me I have to spend time alone with this quiet guy?!

Player ?!
Cocole Well, that would be the ideal situation.

Area 7

Cocole I thought I wasn't working a shift today.
NAVICO Please don't be surprised.
 Didn't you think you were going to die?!
Player ...
Cocole Are you really this guy's navi-character?

Area 8

NAVICO Actually...
Cocole ?
NAVICO When it's just my master and I, my master can turn into a very eloquent person.
Cocole What?!
Player ...
NAVICO ...
Cocole ...
Cocole Doubt it.
NAVICO Master does.

Area 9

Cocole Have you heard this guy say any words?
NAVICO I was told to say hello at the very beginning.
Cocole Oh... a child can say hello.

Area 10

Cocole Oh, I want to rest in the town...
NAVICO Let's take a break!

Area 11

Cocole Come to think of it, Elemia went into town and never came back!
 Shouldn't we go looking for her?!
NAVICO Let's take a break!

Area 12

Cocole We may get better information in this town than we did in Ezus!
NAVICO Let's take a break!
Cocole Grrrrr...

Area 13

Cocole Come on! Enter the forest without hesitation!
NAVICO Please be careful not to get lost!
Cocole ...
NAVICO ...
Cocole Ahahahahaha!
NAVICO Hahahaha!

Area 14

Black Name Roooooaaaarrrr...
Cocole These Black Name guys are getting stronger...
Black Name A *Footsteps rustling through grass*
Cocole A new Black Name?!
Black Name B *Footsteps rustling through grass*
Black Name C *Footsteps rustling through grass*
Cocole Well, isn't that a little too many of them?
Will NAVICO fight with us too? ^ ^
NAVICO I will not. ^ ^
Cocole As expected.
Cocole Let's run away for the time being!

Chapter 22: Black Names

Waiting for them was a large group of Black Names.
Outnumbered, the party found itself in a desperate situation!
Suddenly a mysterious person appeared...

Area 1

Black Name Rooooooooaaaaar...
Cocole There is no end to this!

Area 2

Black Name Raaaaahhhhhrrrrrr...
NAVICO As expected, this is an unusual number of them.
Player ...

Area 3

Black Name Rooooaaaaarrrrrr...
Cocole What is up with these guys?!
NAVICO It's their daily routine...

Area 4

Black Name Rooooaaaaarrrrrr...
Cocole Please just give us a break already...
 Please God! Get rid of the bad things and I promise I won't be mean to NAVICO
 anymore!
NAVICO You're quite self-aware...

Area 5

Black Name Rooooaaaaarrrrrr...
Cocole I don't believe in God anymore...
 I can't rely on anyone anymore...
NAVICO I've been betrayed...

Area 6

Black Name Roooooaaaaarrrrrrr...

Cocole Hah... hah...

Black Name *Rustle through grass*

Cocole This is getting worse!
Something shimmers and sparkles!

Black Name Roooooaaaaarrrrrrr...

Player ?!

Wolf of the Wilderness Wolf of the Wilderness is here!

Chapter 23: Wolf of the Wilderness

Wolf of the Wilderness is accompanying the party for some reason.
When the party once again visited the Ezus Shrine,
they got a bad omen from a fortune teller...

Area 1

Cocole This is the first time you looked like an angel.

NAVICO Mr. Wolf is a handsome man.

Wolf of the Wilderness I'm a woman! I'll cut you!
I challenge you to a duel, NAVICO...

NAVICO If only your deplorable personality could be managed...
The rest of you is good though...

Area 2

Cocole So? Why are you coming with us?
To duel?

Wolf of the Wilderness I stopped fighting just anybody.

Wolf of the Wilderness I heard Elemia is in town, but are you collecting the rumored reliefs?

Cocole That's right... maybe...

Wolf of the Wilderness I was also interested in the reliefs, so I decided to collect them too!

Cocole As I thought...

Area 3

NAVICO Ms. Wolf has mellowed.

Wolf of the
Wilderness Don't call me Ms. Wolf!

Area 4

Cocole Why are you looking for the reliefs again?

Wolf of the
Wilderness I want to do something big!
I want to find a relief that no one has ever obtained!
Are you fired up like I am?!

NAVICO I feel like 4500 wins and 8000 losses is a big enough achievement...

Wolf of the
Wilderness Now it's 4512 wins and 11571 losses!

Cocole Way more battles...
And a slight increase in losses, I see...

Area 5

Black
Name Roooooooooaaarr...

Wolf of the
Wilderness An easy victory!

Cocole Your battle... it's dangerous and you can't see it...

??? Umm, excuse me. ^ ^

Cocole Could it be...?!

Flatley Could I get you to investigate this Black Name? ^ ^

Cocole As I thought, it's Flatley.

Area 6

< Ezus Shrine >

~ Between the main shrine and the fortune teller ~

Cocole Look at this! Rice paddies!

Fortune-
teller NPC Who are you?!

Cocole We'd like to know how to get to an unmarked island...
We tried to go by boat, but it didn't work.

Fortune-
teller NPC If you can listen to my latest divination until the end...

Cocole Huh?

Fortune-teller NPC To get to the unmarked island, you have to go through a warp point...
is what I wanted to convey to you...
Cocole Say such an important thing clearly!
NAVICO Cocole...
It can't be helped if the NPC is not working properly, right?

Wolf of the Wilderness Should we go to that warp point for the time being?
Cocole Yeah... let's go...

Chapter 24: The Red Hunter

The party decides to use the gate to go to the Unknown Island.
The party has regained hope and started heading to Crying Dragon Mountain.
However, the Red Shadow pursues the party.

Area 1

Cocole Ah...
I didn't hear the location of the warp point...
Player !
Cocole NAVICO, go back and ask. ^ ^
NAVICO I refuse. ^ ^
Cocole Do as I say. ^ ^
NAVICO Understood...
Wolf of the Wilderness So cool!
Please let me call you "big sis!"

Area 2

NAVICO I went to ask where the warp point is...
NAVICO From here it's northeast, on a mountain between the commercial city of Chartan and the port town of Sil...
Cocole Finally a mountain!

Area 3

NAVICO By the way, Ms. Wolf...
Wolf of the Wilderness Don't call me Ms. Wolf!
What do you want?
NAVICO You're Wolf of the Plains now.
Wolf of the Wilderness Shut up!

Wilderness

Area 4

Wolf of the Wilderness Fine! Wolf of the Wilderness is like two names anyway.

NAVICO What's your real name?

Wolf of the Wilderness I won't tell you.

Area 5

NAVICO *Whisper whisper*

Cocole *Whisper whisper*

Wolf of the Wilderness ?

Area 6

Cocole So, what's your name?

Wolf of the Wilderness Not telling you!

Cocole Can't you answer your big sis's question?

Wolf of the Wilderness Grrrrr... Darn you, NAVICO for giving me those names...
Wilderness Didn't I tell you not to call me that?

NAVICO Hehehe *Fiendish grin*

Area 7

Wolf of the Wilderness Well, my official name is †Falderia Nilfas Falderick†!

Cocole This one's a brat!

Area 8

Cocole How did you change your name?

Wolf of the Wilderness I cleared the name change event.

NAVICO By the way, it takes at least 20 hours to clear.
It doesn't even give experience points.

Cocole Woah... not only are you a brat, but you have a lot of time on your hands too.

Wolf of the Wilderness Ack...

Area 9

Cocole Fal-fal...

Wolf of the
Wilderness Don't call me Fal-fal!

Cocole Why did you decide to change your name?

Wolf of the
Wilderness It was a character I made when I was in junior high school...
Ummm... well...

Wolf of the
Wilderness I became embarrassed around high school students... so...

Cocole So bashful... this one.

Area 10

Cocole Why did Fal-fal become a battle-crazed wolf?

Wolf of the
Wilderness It's fun to fight with those who make fun of my character's name...

Wolf of the
Wilderness If you've noticed, my number of battles has exceeded 1000!

Cocole That must have been a lot of trouble... hehe.

NAVICO That's not a line to say while holding back laughter, Cocole.

Area 11

??? *rustle*

Wolf of the
Wilderness Someone's there!

Red
Shadow I will delete you...

NAVICO It's coming from over here!

Cocole Charge at full power!

Area 12

Cocole Hah... hah...
Did we lose it?

Wolf of the
Wilderness Don't stop, big sis! It's still chasing us!

Area 13

Cocole Haa! Haa! I thought of something!

Wolf of the
Wilderness What is it, big sis?!

Cocole This is the Unperplexing Forest, so we can't hide, can we?!

Wolf of the
Wilderness Definitely!

Area 14

Cocole If we go through this forest, then...!

NAVICO It's gone.

Cocole Huh? We lost it?

NAVICO No, it disappeared along the way...

Area 15

Cocole What the heck is that?
A new stalker?

NAVICO It's a weirdo serial stalker.

Cocole A what? Could you repeat that?

NAVICO No, thank you.

Area 16

NAVICO Speaking of, the red guy I mentioned earlier...

Cocole ?

NAVICO Somehow he has a smell similar to mine...

Cocole A bad smell?

NAVICO Are you saying...
that I stink?

Area 17

Cocole Anyway, what is the goal of the red guy?

NAVICO What could it be?
Stinky old me doesn't understand.

Cocole Oh, you've become contrary...

Area 18

Cocole Ah, the peace and quiet is so nice.
We can have a leisurely adventure.

NAVICO Ah.

Cocole What?
NAVICO I don't know what it is because of my smell.
Cocole You're really the type to hold a grudge, aren't you?

Area 19

Red Shadow Agggggggggggggggggghhhhhhhhhhhhh...
Player ...
Cocole Everyone, now!
Escape with a dash!
Red Shadow I will delete you...
Cocole He's good at anticipating us!
Wolf of the Wilderness Let's escape to Crying Dragon Mountain!

Chapter 25: Heading for the Summit

The party shook off the Red Shadow and are going to Crying Dragon Mountain.
They aim for the summit while following a steep path.
At the top, someone is waiting for them...

Area 1

NAVICO It seems we've shaken him off.
Cocole Phew... that was pretty rough if you ask me, but we made it!
Wolf of the Wilderness As expected of you, sis!
NAVICO ...

Area 2

Cocole It's such a demanding route, but the tension is dropping...
Flatley It is, isn't it?! ^ ^
Cocole As usual you appear in unexpected places... Ms. Flatley.
Flatley I often run into you guys, don't I? ^ ^
Cocole So, this time, what are you doing?
Flatley Investigating you, Cocole. ^ ^
Cocole ?!

Flatley Just kidding. ^^
Well, see you 'round. ^^

Cocole Flatley... I can't underestimate her.

Area 3

Urayama★ Hey, ladies!
Shingo Would you like to hang out with me?

Cocole Well, right now I...
I'm impressed!

Urayama★ W-What? What's up?!

Shingo

NAVICO Isn't it because, after such a long time, we met a PC who normally requests a duel?
He had that name though...

Area 4

Urayama★ Damn! I lost!
Shingo

Cocole Good, that's a good reaction!
I'm all fired up!

NAVICO Cocole's character has changed again?

Cocole Now, the gate, the gate is...

Urayama★ The gate is stopped because there is no energy source.
Shingo

Cocole What's going on?!

NAVICO What should we do?

Cocole Perhaps Bal-bal knows something?
Let's go to the port town of Sil.

Chapter 26: Overwhelmingly Good Luck

The party heads to the engineer Balzac in order to activate the gate.
Balzac gave an unexpected answer.
The substance of the reply is...

Area 1

Cocole I wonder if the reconstruction of Sil is completed.

NAVICO Given the amount of damage, wouldn't it still be going on?

Area 2

Wolf of the Wilderness What do you want when you collect the reliefs, sis?

Cocole I'm not sure that my wish will even come true...

Cocole Speaking of which, I hope everyone's hearts will be warmed!

Wolf of the Wilderness Oh! Just as I expected of you, sis! So cool!

NAVICO Tsk, liar...

Area 3

Wolf of the Wilderness What do you want when you collect the reliefs?

Player ...

Wolf of the Wilderness ?

Player ...

Wolf of the Wilderness ...

NAVICO Ms. Wolf doesn't seem to understand my Master well yet.

Area 4

NAVICO That's right!

Cocole What happened so suddenly?

NAVICO Will my wish come true?

Cocole ...

Wolf of the Wilderness ...

Player ...

Cocole Isn't it impossible?

NAVICO Likely...

Area 5

Cocole You have a wish you want to come true, NAVICO?

NAVICO I... want to be human...

Cocole ?!

NAVICO I want to be a human and play like everyone else.

Cocole Oh, yeah, yeah... is that so?

NAVICO ...
Cocole ...
Cocole Huh...
You're serious?

Area 6

Cocole No way you were thinking about that, NAVICO.
Are you serious?
NAVICO My AI does not allow me to lie to humans.
Cocole I see...
Cocole Huh?
It seems like you've been lying to us quite a bit so far...

Area 7

Cocole Does Ms. Wolf have any wishes?
Wolf of the Wilderness My wish is to stay by big sis's side forever!
Cocole If that happens, my wish will be declined!

Area 8

Cocole We're here!
Let's find Bal-bal!

<Undisputed Port of Sil>
~Technician's Guild~

Balzac Oh, it's Cocole, isn't it?! What's wrong?
Cocole Actually, it's Ms. So-And-So.
Oh, I see!
Balzac The power source of the warp point is a magic stone.
If you have that, even an amateur could do it!
A magic stone, huh?
Cocole I gave it to Lilika.
Do you want to pick it up?
Balzac Lilika said she would be going north from here!

Area 9

Cocole Speaking of the north...
Cocole The bandit forest...
Cocole The cave of bandits in the northwest...

Wolf of the Wilderness I don't know where I went and I can't find it again.
Cocole Let's head to the bandits' cave!
Wolf of the Wilderness Eh? Why there?

Area 10

Wolf of the Wilderness *Looking around restlessly*
Cocole Why are you looking around so much, doggie?
Wolf of the Wilderness I'm not a doggie!
Wilderness I'm a wolf!
Wolf of the Wilderness Was that Lilika?
Wilderness The one we met in the wilderness before...
I'm looking to see if we find her along the way.
Cocole Fine, fine. There's no use looking here anyway.
Wolf of the Wilderness ?

Area 11

Wolf of the Wilderness Hey, do we really have to look for her?
Wilderness Did you come here to look for her?
Cocole It's okay, if we go to the bandit's cave, we may find out something.

Area 12

NAVICO Almost there.
That's the bandit's cave there.
Cocole Just one more step.

Area 13

Cocole Why is this a bandit cave?
Wolf of the Wilderness Big sis used to be here...
NAVICO Quiet!
Shut up!
NAVICO The bandits once lurking on Crying Dragon Mountain were chased away by vigilantes and mercenaries.
NAVICO It was used as a new hideout.
NAVICO Now the bandits have disbanded and are no longer there.

NAVICO Rumor has it that there may be some hidden treasure.
Cocole Thank you for the vigorous commentary...
NAVICO I was relieved because my identity as a navigator has been in crisis recently.

Area 14

Cocole She's definitely here!
You can bet your book of secrets!
NAVICO Then I bet the master too!
Player ?!

Chapter 27: She's Definitely Here

The party goes to the Bandit's Cave in search of Lilika.
At the back of the cave, an expected person was waiting...
As expected, the magic stone...

Area 1

Wolf of the Sis, what is this cave?
Wilderness Maybe it's a part of the forest?
Player ...
NAVICO ...
Cocole ...
Cocole He can't help diving in...
What a sad fellow.

Area 2

Cocole Why does Lilika like to go cave diving?
NAVICO She's like a bug constantly being drawn to a light.
Cocole Don't say such rude things.

Area 3

Cocole I wish I could become as immersed in it as Lilika.
NAVICO You do?
Cocole I wonder if I could try out this hobby with you and like it as much as her.
NAVICO Hmph...
I have nice hobbies.

Area 4

Wolf of the Wilderness I enjoy adventuring with everyone like this!
Until now, I'd only done duels.

Cocole I see... (Doesn't she have any friends?)

Area 5

Cocole Why doesn't Ms. Wolf play with friends?

Wolf of the Wilderness ?!

NAVICO There was a devil...
someone who suddenly stabbed you in the heart...

Wolf of the Wilderness Now...
I'm playing with friends...

Cocole Oh no, I'm getting all choked up...
What is this creature?! So honest and cute!

NAVICO Is this the birth of a new genre?

Area 6

Cocole Does NAVICO have friends?

NAVICO I made friends with chess AI the other day. Everyday I get immersed in chess.

Cocole I wasn't expecting that reply...

Area 7

Wolf of the Wilderness Big sis naturally has many friends!

Cocole Oh? Not really

Cocole Certainly there are many people I'm close with, but I've also made many enemies because I say what's on my mind.

Cocole I wonder if the relationships are shallow or deep.

Wolf of the Wilderness Oh, as expected, sis! Strait-laced and cool!

NAVICO You can't do anything wrong in her eyes...

Area 8

Cocole Hey, Lili! Please reply if you're there!

NAVICO Oops, Cocole.
Aren't you getting a little informal with Lilika?

Cocole Ahaha! That's right.

I was a little too easy-going there.

Wolf of the
Wilderness Lilika... who is she?

Area 9

NAVICO Even so, why does Lilika continue to go cave diving even after she gets a magic stone?

Cocole The road leading to heaven is underground, which is common in games, right?

Cocole In her case, that doesn't seem to be the reason...

Area 10

NAVICO But, Cocole...

Cocole What's up, NAVICO?

NAVICO If you take Lilika to a high place like an island in the sky...
Don't you feel like she'd die?

Cocole The thought had crossed my mind.

Area 11

Cocole Whether Lilika likes an underground space changes depending on her views at the time.

NAVICO If you met her in real life, would you like to ask her anything?

Area 12

Wolf of the
Wilderness Do you hate caves, sis?

Cocole I like them better than the wilderness.

Wolf of the
Wilderness There are many good places in the wilderness...

Cocole I just like it better than the wilderness!

Wolf of the
Wilderness Okay...

Area 13

Cocole But you often stayed in the wilderness.
Are you out of your mind?

Wolf of the
Wilderness Gah... I do what I want.

Cocole What happened to the recovery items?

Wolf of the Hey! I had my little bro go buy some!

Wilderness

Cocole ?!

Area 14

Your brother...

Cocole That there is someone who cherishes you...
is surprising...

Wolf of the Wilderness I wouldn't say he cherishes me... rather I forced a guy I beat in a duel to work for me.

Cocole Then don't say he's your younger brother.

Wolf of the Wilderness I wonder what Victoria is doing now?

Area 15

Cocole You wonder what she's doing?
Didn't you contact her?

Wolf of the Wilderness Oh, because I came out of the wilderness, right?
She left it without saying anything.

Cocole It's worse than you thought...

Area 16

Cocole Poor Victoria...

Wolf of the Wilderness Well, let's leave the one who disappeared alone for now!

Cocole You're the one who disappeared, aren't you?!

Area 17

Cocole Alright!

Wolf of the Wilderness ?

Cocole I'll avenge Victoria!

Wolf of the Wilderness No, I don't think she's dead...

Cocole Hey, doggie! Buy a WP Pot!

Wolf of the Wilderness ?!

Area 18

Wolf of the Wilderness Uh, did I do such a terrible thing?

Cocole I hope you understand now!

Wolf of the Wilderness Let's apologize when we see Victoria again...

Area 19

Cocole Then that kid may still be in the wilderness, right?

Wolf of the Wilderness Well? Are you happy that I left and ran away?

Cocole I suppose you could say that...

Area 20

Cocole Conquered 20 floors! I'm still going!

NAVICO I feel pretty uncomfortable right now.
You don't seem like the usual Cocole.

Area 21

Cocole I'm not an eternally fatigued character!
I'm improving every day!

NAVICO Oh, yeah.

Area 22

Wolf of the Wilderness I'm not good with caves.

Cocole You can't run around in the garden.
Here, give me the paw.

Wolf of the Wilderness Wha... I'm a wolf!

Area 23

Cocole Who's this Falderia Nil you mentioned before?

NAVICO Falderia Nilfas Falderrick

Cocole Yes, that person!

NAVICO The name of the rival character who appears in the anime Soaring Wings that was broadcast in 2021.

NAVICO Because there were a lot of good-looking characters, it became more popular with middle and high school girls than the male target demographic.

Wilderness

Cocole My friends seemed to think I was a man all the time, and I had to confess the truth.

Wolf of the
Wilderness Your girlfriends were jealous!

NAVICO Over there!

Area 28

Cocole Anytime now we'll get to the class that Lilika inhabits.

NAVICO Cocole?
Lilika isn't a monster, right?

Area 29

Cocole Oh, there's Lilika!
She was here after all!

Lilika Huh? Cocole, why are you here?
It's been a while, hasn't it?

Cocole Can you return the magic stone?
We need it.

Lilika No way!

Cocole ...You're being unreasonable.
We'll take it, even if it has to be by force. ^ ^

Area 30

Lilika Oh no, I lost!

Cocole It wouldn't have happened if you had given it to us like we asked from the start...
You made sis sad... *softly crying*

Lilika It's my magic stone!

Cocole I'll just use it to move the gate a little, so I'll return it when I'm done.

Lilika Absolutely!

Wolf of the
Wilderness Big sis is cool, after all!

NAVICO It's just extortion...

Chapter 28: The Identity of the Black Names

The party had the magic stone returned (?) and went to Crying Dragon Mountain.

There they met an unexpected person!

The story reaches its climax...

Area 1

Lilika I'll be waiting in the sill, so I'll definitely come back when I'm done, okay?!

Cocole By the way, Lilika...

Lilika ?

Cocole Why do you go cave diving so much?

Cocole It's okay, after all.

Lilika ???

Cocole Even though the cat is cute...
You don't need a reason...

Lilika I don't know what you mean...
What is this sense of embarrassment?

Area 2

Lilika But the relief is a good thing, isn't it?
Let's look for it after going to the island in the sky.

Cocole I wonder if I should get one and just rob Lilika if she gets the remaining seven...

Lilika I give up after all...

Area 3

Cocole I thought we were aiming for an island in the sky because we got the magic stone.
Why are we in the cave again?

Lilika When I was walking in the forest, I found a cave...
When I noticed it, I went deep diving.

NAVICO That habit is terrifying.

Area 4

Cocole I've got the magic stone, and I'm finally getting a piece of the relief!

Lilika Will there be a boss or something like that?
I hope this isn't the last time I see you, Cocole...

Cocole Don't say ominous things!

Area 5

Cocole See you, Lilika.
I'll be back when I'm done.

Lilika Oh, before you go!

Cocole ?

Lilika I want you to write a delivery contract!

Cocole This kid...

Area 6

Cocole Hmm... is this farewell to Lilika?
It'll be a little lonely without her, won't it?

NAVICO We're down to the original members again.

Wolf of the
Wilderness No, I'm still here!

Cocole Oh, you were there?

NAVICO I didn't notice.

Wolf of the
Wilderness Damn yooo!

NAVICO He ran away...

Area 7

Cocole This time it's really just the original members.

NAVICO It's less noisy, but more lonesome.

Wolf of the
Wilderness Don't leave me!!
Haah... haaah...

NAVICO Oh, you're back.

Wolf of the
Wilderness Shouldn't you have chased after me?!

Wilderness So insensitive!

Cocole And you give of plenty of trouble...

Area 8

Wolf of the
Wilderness Well, I think big sis and I should deepen our friendship due to the currently small number
of people in the group!

NAVICO The road there is on the right.

Cocole Right on this road...

Wolf of the
Wilderness Fellowship!

Area 9

Cocole What? You can see it over there...

NAVICO What's wrong, Cocole?

Cocole That's it! Let's hurry!

Area 10

Cocole It's Elemia!
Elemia Hey, it's been a while.
I heard that everyone was heading to Crying Dragon Mountain.
Elemia Actually...
Elemia I found out what the Black Name is.
Player ?!
Cocole What?!

Area 11

Cocole So? What was the identity of the Black Name?
Elemia Do you remember the Black Name we met before we split up?
Cocole Yeah, the one we attacked in front of the Commercial City of Chartan?
Elemia Right, I had a clue about his appearance so I looked it up.
Elemia That Black Name was just like a former guild member.
Elemia After confirming with the person himself, that character was currently deleted.
Elemia The origin seems to have been that he was killed by a Black Name...
Elemia The Black Name was the result of a PC that was in the process of deleting a character!
Wolf of the Wilderness What?!
Cocole Former... PCs...

Area 12

Urayama★ Hey! Ladies, I'm here for revenge!
Shingo
Cocole Oh, we're busy right now.
Urayama★ Is that so?! Then it's time for a duel!
Shingo
Cocole So troublesome...
I've had enough!
NAVICO Now you've done it...

Area 13

Urayama★ I lost again.
Shingo
Cocole We were talking about something important, but you interrupted us!
NAVICO That's a terrible reason...

Elemia Why did everyone come to a place like this?
Cocole Actually... *Explains the situation*
What! From the gate here to the temple on an isolated island?!
Elemia I'm at the climax as soon as I join!
The tension has risen!
Cocole Now, set the magic stone...
Woosh
Cocole Eeeeeek!
Elemia Woah!
NAVICO NAVI...
Wolf of the Wilderness Woah!
Player ?!!
Urayama★ OH...
Shingo Everyone has disappeared...

Chapter 29: Those Who Infringe

The party arrived at the unmarked island.
They were able to find the relief?!
But just what is the relief?

Area 1

Cocole Where are we?
NAVICO It's an island with unknown coordinates.
Elemia We've done it! We've finally arrived!
We're on the unmarked island!
Cocole Then we can see the Temple of the Sin Dragon?!
Finally our hard work will be rewarded!
Wolf of the Wilderness I...
Once we get the relief, I'm going to school!
NAVICO This guy over here suddenly said some crazy line...
Cocole Let's head to the Temple of the Sin Dragon!

Area 2

<Temple of the Sin Dragon>
~Inner Sanctuary~

Cocole Found it! This is a piece of the relief!
??? You infringed...
Elemia Who are you?
