

Chapter 8: Real

The rumored thieves' guild was a masquerade for impostors.
The party who sanctioned the impostors by suspicious means
found the Blue Tear of the Spirit at the top of the tower...

Area 1: Larva East Tower Entrance

Bint Hmm!
 The morning sun is dazzlingly bright!

Bell It feels nice after doing a good deed.

Bill What's next?

Bell Next is...

Bint The search for a digital pet!
 It was so cute in the photo!

Area 2: East Shield Ur Vand

Vanilla Do you always do this?

Bell Well, generally speaking, yes.

Bell Hunting bounties, raising pets, buying jewelry.

Elemia That must wear you young'uns out, huh?

Vanilla Hmm? Elemia, what did you say just now?
 Hmm?

Elemia ...

Vanilla Did you just talk like an old man?

Elemia Grrrrr...

Vanilla I don't like it...
 Silly old man talk.

Elemia It's better than talking like an old lady!

Area 3: East Shield Ur Vand

Vanilla Oh, someone's come here too.

???

Vanilla Nice to meet you, travelers.

Vanilla Nice to meet you. I feel like I've seen this face somewhere before...

Bell Ah, a real appearance?

Setsuna I am the master of unHappy Choice.
 My name is Setsuna.

Setsuna It seems you've all come down a long way.

Vanilla Hmm! Eliminate her immediately!

NAVICO Why are you being so domineering?

Area 4: East Purifying Forest

Setsuna Thank you for getting rid of our impostors this time.

Setsuna This one here is Karin.

Karin Haha! Hello!

Setsuna This one is Suuren.

Suuren Hey.

Vanilla The real one is that character...
I wonder if the impostor intended to imitate you...

Area 5: East Purifying Forest

Bell Why did you guys do what you did?
It's not unusual for an impostor to appear.

Setsuna It's not a big deal.
I used to give them a proper scolding by causing mischief with my guild.

Suuren That's why a scolding by the princess is so terrible.
I can't stand it!

Setsuna I've been trying to make a difference...
but it seems that there is no need for that.

Karin That's why.
Someone like that will do it so we can collect reliefs.

Vanilla Reliefs?!

Area 6: Magion Highway

Vanilla Did you say relief?!
Are you talking about reliefs?!

Karin Huh? There are other people who know about the reliefs?

Setsuna Oh, how strange.
No, perhaps it should be called fate.

Bell What are the reliefs?

Elemia It is said that if you collect all of them, your wish will come true and chaos will be suppressed.

Bint Oh! I wonder if the dragon will appear!

Elemia That would be neat!
As expected, Bint! You know about it too!

Setsuna I heard that information on the reliefs can be found in the Mar Gud ruins in the south.

Setsuna I was thinking of going there after I'm done punishing the imposter.

Vanilla Can we come along too?!

Setsuna ...

Setsuna It's up to you.

Area 7: Castle Town of Seleca

Bell Well, we will be looking for pets in the city.
Over here...

Elemia Oh, thank you for everything.

Bint It was fun! See you later!
Let's go see the giant anteater next time!

Vanilla Huh, yeah... I'm looking forward to it.
A Giant anteater...

Bill *Nod*

Player *Nod*

Bell Oh, and here...

Bell Our member addresses.
Please contact us if anything happens.

Elemia I'm sorry for any trouble we caused.

Bell You really helped us! See you again!

Wolf of the Wilderness Everyone! See you again!
Hmm...

NAVICO Removing party members...
The Caterpillars are now out of the party.

Karin Gahhh, you ruined the moment!

Area 8: South Seleca

Elemia So, are the Mar Gud ruins far from here?

Suuren It's not too far, just beyond the Great Wall.

Elemia That's right. That's good, Vanilla.

Vanilla How is it that everyone knows what I care about most?!

Elemia Because you're predictable.

NAVICO You know the information you don't want to know, right?
There's wilderness beyond the Great Wall!

Vanilla Hehe. I'll do my best in the wilderness!

Elemia Always staying positive...

Area 9: South Seleca

Vanilla Oh, that's right.

Are the two of you really have a brother and sister complex?

Elemia Frankly I wish you wouldn't ask things like that.

Karin Ahaha, how rude to call it a brother complex. Ha!
I want you to call it the Suuren Complex!

Elemia Suuren Complex, eh?

Karin I like Suu, but I like Setsu more.

Wolf of the Wilderness Suu? Setsu?

Suuren Suu is me and Setsu is the princess.

Setsuna Karin, please don't call me that in public...

Suuren That's impossible for my sister.

Karin That's true.
Setsu is Setsu, so I'll call her Setsu, right?

Vanilla Well, as rumored...

Area 10: The Great Wall

Wolf of the Wilderness A nickname, huh? It's nice.

NAVICO Ah, I was completely inspired.

Elemia Don't call me Eromia.

Vanilla Don't call me Bunny.

Wolf of the Wilderness Grrr...

Area 11: The Great Wall

Black Name Raaaaaawwwwwwwrrrrrr!

Wolf of the Wilderness The Black Name is like a gatekeeper.
This is my first time seeing this...

Elemia Is this The Great Wall?
It's amazing.

NAVICO It seems that it was made to prevent foreign enemies from crossing the sea.

NAVICO In the old days when each country was still in a state of war...

Vanilla NAVICO! I swear I'll leave you behind!

NAVICO ...

Area 12: Desiccated Field

NAVICO Ms. Wolf.

Wolf of the Wilderness What?

NAVICO Haven't those two been terrible to us lately?

Wolf of the Wilderness Definitely...

NAVICO I think we were too obedient.
 So they got carried away.

Wolf of the Wilderness I see, that's it?

NAVICO If you show me a little rebellion, you must have been fooled by the different reaction than the usual.

Wolf of the Wilderness Oh! You really run hot and cold, don't you?!

NAVICO It 's a little different, but definitely...

Vanilla Fal-fal, do you eat pudding?

Wolf of the Wilderness I do!

Trot trot trot

NAVICO ...

Vanilla Hehe.

NAVICO Grrrr...
 Are you two colluding against me?!

Area 13: Abandoned Underground Capital Mar Gud

Vanilla We're here!

Setsuna It's rougher than I expected.

Elemia Is it a dungeon-shaped ruin?
 It doesn't look so rough inside.

Vanilla Then I'll dive in right away!

Chapter 9: Ruined Civilization

The real one of the three Setsunas who was being impersonated appeared.
When they hear that they are also collecting reliefs,
the party heads to a ruin together...

Area 1: Abandoned Underground Capital Mar Gud 1st Floor

Setsuna Now...
 Can I ask you something?

Vanilla ?

Setsuna It seems that...

It looks like you already have a relief?
Vanilla How did you know?!
Elemia You don't have to act like that...
Vanilla Weird atmosphere! Weird atmosphere!

Area 2: Abandoned Underground Capital Mar Gud 2nd Floor

Setsuna Is it okay if keep going?
Elemia Be my guest.
Setsuna Who is your most compatible person?
Vanilla Compatible person?
Geez!
Karin You're bad at guessing.
It means the one who touches the relief!
Suuren The three of us transformed into Black Names.
Karin Gaaah!
That was the worst.
Vanilla That means...
Is that a relief too?
Setsuna There is a connection there.
By the way, the Compatible Person is me.

Area 3: Abandoned Underground Capital Mar Gud 3rd Floor

Vanilla This is the one who can touch the relief here.
Player *Nod*
Vanilla That said, I just changed into a Black Name, but Elemia and Wolfie haven't.
Karin What if you touch it?
Maybe you're unexpectedly compatible?
Elemia I should refrain, I don't want to disappear again.
Wolf of the Wilderness Same...

Area 4: Abandoned Underground Capital Mar Gud 4th Floor

Elemia Does that mean you have a relief?
Suuren Well, when we got it, my sister and I were touching it.
Setsuna I was surprised and had no choice but to leave.
Karin The siblings getting along well with the Black Names!
We go well together, Suu.
Suuren That's right, sis!

Elemia Those two...

Area 5: Abandoned Underground Capital Mar Gud 5th Floor

Vanilla Is this the place where the relief was?
Setsuna No, that would probably be... Seleca's Central Altar.
Elemia "Probably" is another weird phrase. Did you go by yourselves?
Karin That's right, we were at Crying Dragon Mountain.
Suuren The gate suddenly shines, and when you notice it, it's the Central Altar.

Area 6: Abandoned Underground Capital Mar Gud 6th Floor

Setsuna The moment I found the relief at the Central Altar and handed it to the two of them, they became Black Names.
Setsuna I couldn't win against the two of them at the same time, so I withdrew using a transfer spell.
Setsuna Immediately after that, when I returned to the Central Altar with some guild members, there was no sign of them or the relief.
Vanilla What a strange story.
Setsuna However...
Setsuna There was one thing I was worried about.
Elemia Something you were worried about?
Setsuna There hadn't been anyone on the Central Altar.
Vanilla What?!

Area 7: Abandoned Underground Capital Mar Gud 7th Floor

Vanilla I was surprised by the force, but is there something strange?
Elemia You...
Setsuna Usually, when it comes to the Central Altar of Seleca, the priests take turns praying.
Elemia That doesn't change except for the annual Rite of the Godless.
Elemia By the way, when does that take place?
Setsuna Certainly it was the 9th day of last month...
Elemia What?!

Area 8: Abandoned Underground Capital Mar Gud 8th Floor

Vanilla Oh no... it's imitating me.
Elemia No, Vanilla.
 Speaking of the 9th day of last month...
Vanilla Ah! That was the day I became a Black Name...

Elemia Rather than when we got the relief.
Do you know what time it was?
Setsuna I think it was around the evening.
Wolf of the
Wilderness When this one heard the voice of God...
Player *Nod*

Area 9: Abandoned Underground Capital Mar Gud 9th Floor

Elemia Well, that's right, when this guy got the relief, something went wrong with the system.
Elemia My view is that the abnormality at that time acted on the gate and caused a malfunction.
Elemia (Rather than leading the compatible person to the relief?)

Area 10: Abandoned Underground Capital Mar Gud 10th Floor

Black Name Rooooooooooooooooooooooarrrrrr!
Vanilla It's strong, but ineffective...
Why do they die so easily?
NAVICO Wasn't Master the one who defeated it?
And please don't take my signature phrase.

Area 11: Abandoned Underground Capital Mar Gud 11th Floor

Flatley Lookie here. Well, hello everyone. ^ ^
Suuren Oh, Flatley, it's been a while.
Karin Nooo, it can't be Flatley.
Setsuna We haven't heard from you in a long time.
You look well.
Elemia She's a popular person with a large social network, after all.
Wolf of the
Wilderness Uh, I'm not jealous!

Area 12: Abandoned Underground Capital Mar Gud 12th Floor

Vanilla Why are you here, Flatley?
Flatley Naturally it would be a historical survey, would it not? ^ ^
Vanilla Naturally...
Flatley This is where everything on this continent is packed.
It is no exaggeration to say that it is a place with huge historical value. ^ ^
Vanilla Hmm...
Setsuna Flatley, how's the case study?
Flatley !

Flatley I have it here, so I'll email you later. ^ ^
Setsuna Thank you.
Flatley I also found "interesting things."
Setsuna That sounds fun.
Vanilla (What? I feel strange now...)

Area 13: Abandoned Underground Capital Mar Gud 13th Floor

Flatley Well, I'll be around here. ^ ^
Setsuna See you later!
Vanilla Ah, hehe.
See you!
Elemia You didn't make-up a character like I remembered...

Area 14: Abandoned Underground Capital Mar Gud 14th Floor

Elemia If you don't want to answer, you don't have to answer, but...
Elemia What kind of research are you asking Flatley to do?
Setsuna Elemia...
Setsuna It's been almost 30 years since the panic around global warming.
I would like to hear your opinion on it.
Elemia Well... I don't want to answer that...
Is it alright?

Area 15: Abandoned Underground Capital Mar Gud 15th Floor

Vanilla The 15th floor?
Are we almost there?
Elemia Why don't you call her?
Vanilla Ok.
Vanilla ...
Vanilla Lilikaaaaaaaaaaaaaaaaaaaaaaaaaaaaa!
I'm not hereeeeeeeeeeeeeeeeeee!
Lilika Here...
Here...
Vanilla You're here after all, I'll abduct you!

Area 16: Abandoned Underground Capital Mar Gud BOSS

Lilika Yahoo!
Vanilla Don't take too long!
Lilika What do you mean?

I just want to descend quietly.

Wolf of the
Wilderness

We could be anywhere underground...

Lilika

Wait a second. Who are you?

Vanilla

Try to guess!

Lilika

That evil aura must be Cocole.
Did you make another character?

Vanilla

I'm glad you guessed it, but it feels complicated...

Area 17: Abandoned Underground Capital Mar Gud 17th Floor

Lilika

So, why the change?

Vanilla

Well...

Lilika

...

Vanilla

...

Lilika

Well, please excuse me.

Grab

Lilika

So what's the deal?!

Vanilla

If you run away, I'll want to chase after you. ^ ^

Elemia

Even though you're a rabbit, are you a chaser?

Area 18: Abandoned Underground Capital Mar Gud 18th Floor

Lilika

I'm still busy!

Vanilla

What did you come here for, Lilika?

Lilika

Actually, I heard that there is a hint to the castle in the sky here and rushed over!

Vanilla

Castle in the sky, eh?
Didn't you give up on that yet?

Lilika

?!

Area 19: Abandoned Underground Capital Mar Gud 19th Floor

Lilika

In fact, the castle in the sky is said to have been derived from this continent.

Lilika

Do you not know the story of the three wise men?

Vanilla

Three wise men?

Lilika

Great men who once built a magical city on this continent.

Lilika

There was a legend that one of the three wise men built a castle in the sky!

Vanilla

Three wise men, eh?

Area 20: Abandoned Underground Capital Mar Gud 20th Floor

Lilika Your faces are unfamiliar to me.
Setsuna Our faces are?
Lilika You shouldn't get involved with this villainous, wicked rabbit too much!
Setsuna Oh? I can't lose to maliciousness, right?
Suuren The princess is a malicious assassin-type!
Karin By the time I noticed her wickedness, I had been killed!
 A Setsuna citation.
Vanilla Huh, hmmm.
Lilika Uh huh.
 (What's with these people! I'm scared!)

Area 21: Abandoned Underground Capital Mar Gud 21st Floor

Vanilla Doesn't it look so angry?
Suuren It does...
Suuren For example, a man who spends a little time with his sister...
 Is he misanthropic the next day?
Setsuna I was curious about what you would say, so I just talked a little.
Suuren A teacher who was relentlessly hostile to us...
 Do they suddenly resign?
Setsuna I just discussed how to be a teacher.
Suuren A yankee who quarreled with a princess in the city...
 Is he suddenly cut by a boy?
Setsuna No matter how scary you are, humans can understand each other through discussions.
Vanilla Wow...
Setsuna But I'm a human who harms those who love me...
Setsuna I just can't forgive myself.
Setsuna's made a big smile at that moment.
Her eyes weren't smiling though...

Area 22: Abandoned Underground Capital Mar Gud 22nd Floor

Lilika As expected, the tension rises as you get deeper!
Vanilla That's you as ever.
Lilika Lilika?
 How long have you been playing that game?
Vanilla Huh? Lilika?
Lilika Mom! I'm talking to a friend for a moment!
Lilika I always say that you will regret it in the future if you don't study properly!
Vanilla This is... could it be?

Lilika Mom! For the love of God!
Please wait 5 more minutes!

Lilika You always do that. It's always '5 more minutes' with you.

Lilika Everyone,
I'm sorry, but I have to go!

Whoosh

Vanilla ...

Elemia Was that the rumored mom of Lilika?

Vanilla Mothers aren't good at reading the mood for some reason...

Area 23: Abandoned Underground Capital Mar Gud 23rd Floor

Vanilla Lilika...
I won't let your sacrifice go to waste!

Elemia No... She's not dead...
But in another sense she is.

Area 24: Abandoned Underground Capital Depths 24th Floor

Elemia From here on things change a bit.

Setsuna Suddenly the atmosphere became gloomy.

Elemia Is this... a mural?

Area 25: Abandoned Underground Capital Depths 25th Floor

Wolf of the Wilderness Vanilla, something is written on the wall here.

Vanilla Uh, "The Three Wisemen combined their wisdom to create four towers."

Vanilla What could that be about?

Area 26: Abandoned Underground Capital Depths 26th Floor

Suuren Sis, there's graffiti here too.

Karin Let's see...

Karin Gaaaah! How troublesome!

Setsuna Geez, you guys...
"Three wisemen, one to the west, one to the east, one to heaven."

Setsuna I wonder if it is the history of this continent.

Area 27: Abandoned Underground Capital Depths 27th Floor

Elemia Oh, found something, I found something.

"The wise man follows XX and prospers as a city."

Elemia I can't read it because the letters are faint...

Elemia However, it is strange because it looks ephemeral and erotic!

NAVICO Please be considerate, Ms. Eromia.

Area 28: Abandoned Underground Capital Depths 28th Floor

Setsuna There is also a mural over there.

Elemia What the...?
"Two intellects, eventually to war."

Elemia "Foolish children, they use magical weapons and provoke the wrath of God."

Elemia "Prosperous wisdom perishes here."

Setsuna By the way, the current Seleca was originally on the ground.
When it was rebuilt, it became a floating city, right?

Elemia Is the "Duck's Cauldron" in the west a remnant of magical weapons?

Area 29: Abandoned Underground Capital Depths 29th Floor

Elemia I see, I'm connected!

Vanilla ?

Setsuna It seems so.

Vanilla Eek!
Please explain properly!

Elemia In other words, two magical cities, an anomalous gate, an empty altar.

Elemia The criminal is inside!

NAVICO I thought I would say...
And why is your fingertip pointed at me again?

Setsuna In other words...

Setsuna It wasn't Seleca that was sent flying, but the western magical city of Zel Magion, which is said to have disappeared.

Vanilla Hmm? In other words, Zel Magion hasn't disappeared and exists somewhere...?

Black Name Rooooooooaaaaarrrrrr!
I'm a little busy right now!

Vanilla Black Name!
Eeeek!

Area 30: Abandoned Underground Capital Depths BOSS 29th Floor

Black Name Raaaaaawwwwwrrrr!

Vanilla Why you!
You startled me!

Crunch

Elemia Kicking the corpse that came out...
They don't make cute characters anymore.

Vanilla After all, there is a relief on the altar of Zel Magion which "should have" disappeared,
right?

Elemia Seems that way.

Elemia I have to find a way to get to the "should have" disappeared Zel Magion somehow.

NAVICO Say there are people still living in Zel Magion.
How about going to Faye Hunters' Village?

Elemia Hmm, is that the only one?

Area 31: Abandoned Underground Capital Depths 30th Floor

Vanilla This seems to be the last one.
"Three wise men repented and sealed their wisdom in the three towers."

Vanilla Speaking of the three towers, I wonder if they are the East Tower of Larva, the
abandoned Demon Tower, and the North Tower of Shuna?

Elemia I don't know!
Let's go to Faye Hunters' Village for the time being!

Setsuna Three towers... wisdom...

Chapter 10: Accompanied by a Guardian

The group got information about the location of reliefs from the ruins found at
Abandoned Underground Capital Mar Gud.
Aiming for further destinations, the journey continues...

Area 1: Abandoned Underground Capital Mar Gud

Elemia I'm surprised that the "should have disappeared" magical city of Zel Magion existed.

Setsuna There are many examples in the world where "should" was not the case.

Vanilla That's right.
I "should" have had a boyfriend when I became a high school student...

Wolf of the
Wilderness I "should" have a lot of friends at school...

Elemia I "should" be building a bookshelf right now as well...

NAVICO That's a convenient "should," though.

Area 2: Desiccated Field

Elemia I know where the relief is, but what if there is no way to get there?

Setsuna We are thinking of going to Crying Dragon Mountain.

Elemia Crying Dragon Mountain?
Is that the place you went when you were erroneously transferred?
Setsuna Yeah, if you look closely there again, you might find out something.
I see.
Elemia So do we look for information in Faye Hunters' Village?
It'll more efficient if we split up.

Area 3: The Great Wall

Setsuna Anyway...
It's too bad...
Vanilla Hmm?
Setsuna I won't be able to see your comedy routines anymore...
Vanilla I don't do comedy routines, though...

Area 4: South Seleca

Vanilla But can't we go halfway together?
Setsuna I thought about that too...
I'm thinking of going by ship.
Elemia Ship, eh?
Well, if it's to Crying Dragon Mountain, that might be faster.

Area 5: South Seleca

Vanilla By the way, I couldn't get on the ship before.
NAVICO Because it was a gate made to look like a ship as the punch line to the joke.
Vanilla Don't tell me it was a joke...

Area 6: Magion Highway

Setsuna By the way, we will take our leave here.
Suuren See you later.
Karin See you round if you're still alive.
Wolf of the Uh, see you again soon...
Wilderness Stay safe...
Vanilla I won't say that because I'll be back again.
Setsuna Here, take this...
Elemia ?
Setsuna This is my member address.
Please contact me if you have any new information.
Elemia Okay, be well!

NAVICO unHappyChoice has left the party.

Area 7: Magion Highway

Vanilla Where is Faye Hunters' Village?

NAVICO On a hill heading northwest from here.

Vanilla Aside from being far away, I feel endless anxiety on hilltops....

Area 8: Magion Highway

Vanilla Why is it a hunters' village?

NAVICO Because there are many hunters living there...

Vanilla What other theories are there?!

NAVICO There is a theory that it is a village for a clan that hunts gladiators who have escaped from the arena.

Vanilla Scary!

Area 9: Magion Highway

Tiger of
Revenge Falderia, I'm hurt, I'm hurt!

Vanilla She's not here.

Elemia Must have misspoke.

NAVICO Fumbled your words.

Wolf of the
Wilderness What happened to you now?

Tiger of
Revenge This time it won't be like it used to be!
I brought my master!

Vanilla Wow. You are accompanied by a guardian?

Tiger of
Revenge Say what you want!
Master!

Atora You call and I appear, the solitary warrior, Atora, is here!

Elemia Mmm, this one can do it!

Tiger of
Revenge I'll take revenge today!
Falderia!

Area 10: Border Town, Isaac

Atora Wait a minute!

Tiger of
Revenge ?!

Wolf of the ?!

Wilderness

Atora Did you just say revenge?

Tiger of
Revenge That's right...

Atora I was summoned for this?

Tiger of
Revenge Yeah...

Atora It seems that a little punishment is needed.

Tiger of
Revenge Eeeeeek!

Area 11: Magion Highway

Tiger of
Revenge *Heavy breathing*

Atora Well, would you be Wolf?
I'm sorry about my Tiger.

Wolf of the
Wilderness Oh?

Atora I wanted them to fight together, so I thought it was a duel...
but it was revenge...

Tiger of
Revenge I'm sorry!
Agh...

Wolf of the
Wilderness No problem...
I'm not bothered by it.

Elemia (She's speaking normally in this much shock...)

Atora Even so, revenge is unusual.
Would you like to talk about your reasons?

Tiger of
Revenge Actually... (blah blah blah... long story...

Wolf of the
Wilderness What?!

Area 12: Magion Highway

Atora In other words, you used to be bullied and got thrown away like a rag, right?

Tiger of
Revenge That's right!
Those guys were terrible!

Vanilla Wolf is terrible.

Elemia As expected of Wolf.

Wolf of the
Wilderness No!
You misunderstand me!

Area 13: Magion Highway

Tiger of Revenge	What's the misunderstanding? You use people as gofers in distant cities!
Wolf of the Wilderness	Two people are needed to help ambush prey and to get loot!
Wolf of the Wilderness	And... I also wanted time to get the best Friend Pot for snacks...
NAVICO	Friend Pot... an item with a rarity of ★★★★★. It has the effect of increasing the density of friends.
Tiger of Revenge	You knew I would lose in the duel and you let me do it!
Wolf of the Wilderness	Are duels fun? I was curious about that, so I wanted to be shown the fun of dueling....
NAVICO	At least you should duel with someone of the same rank.
Tiger of Revenge	I was always bullied and beaten up!
Wolf of the Wilderness	I think that by practicing you will become stronger and understand the fun of dueling...
<hr/>	
Tiger of Revenge	You would suddenly surprise me and laugh at me from the darkness!
Wolf of the Wilderness	I would surprise you at your birthday party...
Tiger of Revenge	In the end, you abandoned me and disappeared somewhere without saying anything!
Wolf of the Wilderness	Can you say that you're going to a leisure event to change my name?
Atora	Oh... In other words... You guys didn't misunderstand each other!
Tiger of Revenge	No!
Wolf of the Wilderness	What?!

Area 14: Magion Highway

Vanilla	In other words... everything that Wolf was doing in good faith has backfired.
Atora	Well, that's not the case.
Elemia	It's a collaboration between incomprehensible love and a head that can't keep up...

Area 15: Forest of Distortion

Atora Well, let's take this opportunity to make up for it.
Atora Be honest, Tiger.
Tiger of
Revenge Uh... Master...

Wolf of the
Wilderness I didn't hate you originally...
Tiger of
Revenge Uh... Falderia...
 Sniffle sniffle
Elemia Don't get agitated... ^ ^;

Area 16: Faye Pass

Vanilla I wasn't aware of it with just the two of us, but this is a pretty slope.
NAVICO This is called Faye Pass, a road that was opened long ago by the creators of Faye Hunters'
Village.
Vanilla I wanted you to proceed more slowly anyway!
NAVICO You can pave the way for yourself...

Area 17: Faye Pass

Vanilla We're here!
NAVICO Let's go ask around for information.
Elemia Why are *you* telling us what to do?

Area 18: Faye Hunters' Village

Village NPC Drink this and get well...
Vanilla Thank you.
 I'd like to hear about the Magical City Zel Magion...
Village NPC Sorry, I don't know about that.
Vanilla About the Magical City Zel Magion...
Village NPC Sorry, I don't know about that.
Vanilla Hehe...
Village NPC Sorry, I don't know about that.
Vanilla ...
Vanilla This is why I dislike NPCs...

Area 19: Faye Hunters' Village

Wolf of the Gaaaah!

Wilderness

Elemia What's wrong, Wolf?
 A phantom?!

Red Shadow Rooooooooaaaaarrrr...
 Delete...

Vanilla It's been a while!
 Let's finish it!

Player *Nod*

NAVICO Do it yourself...

Area 20: Faye Hunters' Village

Red Shadow Del... del... etc...

Player ...

Vanilla Hmm! If you're looking for the reborn Vanilla, she's right here!

NAVICO She's...

Elemia Anyway...
 Wolf's "cha!" was fresh

Wolf of the
Wilderness Don't say that!

NAVICO A PC has fallen down over there!

??? Ilia... is it safe...?
 In the cave...

Vanilla In the cave? I wonder.
 Elemia, can you go help that guy for a moment?

Elemia Got it.

Area 21: Faye Hunters' Village

Aron Thank you.
 My name is Aron.

Aron I told Ilia to escape to here in times of trouble...

Aron Oh, my companion's name is Ilia.

Vanilla Can I help you look for something?

Aron Really?
 That helps a lot!

Chapter 11: Rite of Passage

A phantom attacks the party who had resolved their misunderstandings,
regained their friendship, and gained a victory.

New encounters for those who keep pushing aside the enemy...

Area 1: Cave of Losers, Level 1

Atora Then, will I be free soon?
 I'm not good at being too busy.

Tiger of Then, I wonder if I will go too...
Revenge Well then, bye, Falderia... I mean, Wolf of the Wilderness!

Wolf of the Oh, let's play again sometime!
Wilderness

Tiger of I will train harder and win next time!
Revenge

Area 2: Cave of Losers, Level 2

Aron Thank you again for your help

Elemia A phantom may come again.
 It would be better to get moving.

Vanilla Right, but isn't it okay to say thank you?

Elemia Keep quiet or you'll make a mess of things.

Area 3: Cave of Losers, Level 3

Aron Were you in the middle of an adventure?

Elemia We're looking for a piece of the Sin Dragon's Relief, but we have to keep gathering
information.

Vanilla Oh yeah, have you heard of the Magical City Zel Magion?

Aron No, unfortunately I haven't.
 Sorry I can't be of more help.

Area 4: Cave of Losers, Level 4

Aron If you want to gather information, why not do it in the arena?

Aron Good information gathers around strong people.
